“ Matt,

You were such a bright light, I'll never forget how kind you were to me and Caleb. Every single time we saw you, you made me laugh. You treated me with respect and as a good friend. You went through a lot but your shine and bright personality never was dulled. I pray for Janelle and Paisley. I miss you and hope to see you again one day in Heaven until then keep shining your light down from above.

God bless you and your family,

“ The day Matt and I met 15 year's ago the first thing that stood out to me was his vibrant personality, he was kind, loving, empathetic, positive, upbeat, and motivated and always encouraged me to follow my dreams. He was my best friend, no matter how much time had passed since we physically saw each other he always welcomed me with open arms, he had a huge heart of gold and was willing to help anyone. He was such a wonderful father I loved watching the spark in his eye as he spent time with his kids, joy filled his heart when he would talk about each one of them! His smile, laugh and even his snoring I will deeply miss! This picture was so cute to me because I caught him and Nova both so peaceful and safe and I just remember this being an uneventful day but it's the simple things in life that mean so much! I pray for each and everyone of you as we grieve in different ways. Love Elana "e" Danowit
