“*Condolences and blessings to the family and friends of Cecille. She was a precious friend to my sister, Marie. Be comforted to know that she was greatly loved and is now resting with the Lord.*”

“*Mattie ‘Cecille’ Rose, my beloved sister and friend, and I met in 1981 at Kaiser Hospital, where we were both nurses. We quickly became friends, doing fun things together. I fondly remember trips to Las Vegas and going to Venice Beach on our days off. She was the first person who taught me to drive. We celebrated many holidays together, especially one Christmas when we even got each other the exact same gift. She was a beautiful soul—kind, friendly, loving, and supportive. She genuinely loved people, especially her family and friends. She wonderful mother, and best godmother to my daughter. Her world revolved around her daughters, Marissa and Marquelle. As a caring and compassionate nurse, I'm grateful that, in the last stage of her life, she received the same love, care, and compassion that she showed her patients. She was a true friend and is sadly missed. My sincere condolences to her daughters, their spouses, grandchildren, siblings, and all her family and friends who loved and cared for her, and all whose lives she touched. Rest in peace, my beloved friend.*”

“Cecille was my sister cousin. She was kind, generous, intelligent, fun loving and compassionate. She was a fantastic Mother and friend. She loved people and animals as well. She certainly had the ministry of helps. She was a caring nurse who nurtured many people. She enjoyed her books, mysteries, coffee. Her favorite color was green and she made a comfortable home for her family. Cecille loved beautiful things and times. She went out big for Christmas. She celebrates now in the glorious place of heaven where there is eternal peace and beauty. God bless Marissa and Marquelle and her brothers and sisters. I know she is always with you. She has left a commanding presence in the earth that will be remembered. Love y'all. Cousin Joyce
