“ My mother-in-law was a very beautiful woman. I always considered her my mother. I am so glad I had the time with her, and had her in my life. She truly taught me so much. I have so many wonderful memories of her and I together and no one will ever take that away from me. I was so blessed to have such a strong woman in my life. She taught me how to believe in myself and what it meant to be a great mother. She has instilled so much in each and every one of us she was our safe place. I will miss her so much and will never forget her and I will make sure the boys don't either. She will live in us all.... Until we meet again. I LOVE YOU!!
