*Melvin it's still hard for me to believe that you are gone! Our lives will NEVER be the same without you! You meant the world to me and my children. Uncle Melvin as they called you. And Big Brother to me. You and I went through good and bad when you were here in Texas which it broke our hearts tremendously when you moved back to Minnesota, but we talked all the time and you would assure me that if we needed you, you would be right here for us. Take your rest now, no more suffering. I'm so glad to know that you knew what you meant to us and vice versa. R.I.L Brother. Missing you for life*
