“ *This is literally the hardest thing I've ever had to do. Maybe it's because you're not here & caint help me, I don't know. I don't post on here everyday but I do post. I'm trying really really hard to be strong & to do like I think you would do. People are mad at me because I got you cremated and I did what I thought was right by you. I love you & promised you I would never leave you & while you where here I didn't. I wish we got a chance to do what we planned I'm still gonna try and do it just without you. I'm so heartbroken and really wish I could get a hug from you and just tell you how much I love you even though you already was fully aware. You where such a great person Ma. Not just saying that cause you're my Ma either. You was perfect to me in my eyes. I Love You My Queen 🥰🥰*
