“ *When I think about Michael, I remember a good natured, handsome, charismatic, soft-spoken, gentle, generous, goofy, and undoubtedly loyal friend of mine, who would do anything for the people he cared about.*

We enjoyed watching, and discussing slapstick comedies, and documentaries of all sorts. Michael was a thinking man, very analytical by nature. Michael and I had many ongoing conversations, that could not be finished in just one day, and I am heartbroken to know that I won't hear his voice again soon.

Michael helped make three beautiful daughters, and I know he loved them dearly! I just know they have an angel watching over them now, and forever. Michael will be missed by all that knew him. I love and miss you Michael!

-Love Bo.
