“ There's not a day that goes by you are not deeply missed and grieved. My heart will forever mourn your absence. I cry every day you're not here. I wanna just call you so bad, FaceTime with you and ask you what art thou doing? God knows this is the most painful part of my journey. I feel like Job when he lost his children, his wives and everything he owned. Then he got leprosy and everyone abandoned him. I seen like that. Everything's falling apart. I miss you being here boy. I love you. Can't wait to just come home with you.

“ I miss you so much my boy. I miss your encouragement, I miss your laughter, I miss cooking for you. I miss holding your chubby hand in mine. There'll always be an empty seat at my table where you once sat. Am empty void in my heart where your presence once was. I feel like this is a nightmare that I can't wake up from. My life is falling apart and I miss you just walking with me through it. You was always my backbone. My support system. I wanna die every day without you.

“ *Your brother has been taking such good care of me Bubba. He's trying so hard to find his way in life, but it's so hard without you there to guide him. He feels so lost. Please tell Jesus to protect him all his days. Especially those days he's so far from my reach. But he's never too far from my prayers. I know you're so proud of him. I miss you so much boy. I wish you was here to hold my hand through all this heartache I'm going through. But I see so much of you in Jerry the older he gets. Thank you Bubba for being such an amazing brother to Jerry and son to me. You are deeply missed. I love you boy. I'll always be your girl in all the world.*

*Love always,  
Your Mom*

“ *My sweet boy, the one closest to my heart. I'm so broken without you by my side. But I know that God is with me and will see me through the rest of my journey. I hope to make you proud son. I will make sure your name is honored from the ends of the earth, working diligently to help others not to suffer like you did. Helping others so that nobody has to die like you did. I love you my boy. Rest in peace with Jesus.*
