“ *Mother Jones was the kindest church mother I ever knew. She called when I was sick, and she took time to pray with me. She encouraged me when life was difficult. She sent little treats home with Bro. Jesse and always invited me to sit at her special table for church events. She was the first to welcome me to the Gospel Temple COGIC family. Rest well Sweet Saint of God. Your reward is great because you were kind to all strangers and friends.*
