“ Nancy was a absolute gem! She was my late father's neighbor, and became one of his primary caretakers when he was diagnosed with cancer. Nancy willingly care for him and became close with our family. Even after his passing, Nancy would continue to call and visit me. Our family is forever grateful for her care and love.

“ Prayers and Peace to friends and family, in a difficult time. I remember the whole family and was lucky to have given and received a hug a month or 2 ago from Nancy & Terry, they sure had me giggling at the office, before I knew who it was, I was called by my childhood name. Always running into Nancy every few years, was always nice....small & quick little catchups... you & they will be missed.

“ My condolences to family and friends of Nancy. I was fortunate to spend the 70's with Nancy. She was one of the sweetest gals I have ever met. May you all find peace. Rest Easy Nancy 🍷
