“ Omg I'm so hurt right now 😭. You was one of my best friends. I really don't know what I'm gonna do without you giving me good advice and telling me things that I didn't want to hear. I love you with all my heart. Until we meet again. ❤️

“ I am deeply grieved by Omari passing. He was a true friend to me. I would go over and hang out with him. When I went back to Ohio, we stayed in touch and he sent for me to visit a few times, courtesy of him. He was so caring and loving. He was protective of me whenever I was in his presence. He adored his children and honored the relationship he had with them. I will truly miss my friend and my heart is broken! But, God is near to the brokenhearted. I pray for his family, that they would be comforted in this time of sorrow and grief. Blessings be to us all! I'm so sorry and you have my deepest sympathies 🙏🏾

“ *O was the kindest and genuine person my and my mother met. He would always make sure he hugged my mother when we would see him at the local hangout. He called me sis and he was like a brother to me, rest in peace my dear friend.*
