“ What can you say about Phillip that you already know if you love him? And I do. He was a light in my times of darkness with his sweet laugh cracking me up. Romantic, tenderness he loved his family more than anything. Fun road trips playing ol skool singing along and just having fun! He had challenges but he lived. If you knew him you wouldn't forget him. I love you Phillip may the lord heal you baby you're his now. Para su mama esta contigo cuidalo Sra. Maria su hijo esta con usted abrazalo fuerte.
