“ I am so thankful to have meet you. You were my like my little sister. You were always so fun, honest, and determined to do whatever your heart desired. I will miss your raspy voice especially your laugh. I’m praying for your family and your children. I believe the Lord keeps sending rainbows to let me know that you’re okay. I will always think of you when I see rainbows. I love you Porshia “Princess” Angeline. I know that you’re with the Lord, and you will always be in our hearts. I miss you baby girl and love you.

Your friend,

-Moni
