“ *Quentin was a talented lyricist, rapper and produced his own music. When we spent two years together he recorded over 18 songs. Q would hand me a pair of headphones and I would listen to him freestyle something and two hours or days or a week later it was a masterpiece. It was like a lullaby in my ears. He said he had never had anyone listen to him make his music until me. I was very lucky to watch him do this. I miss him terribly. ❤️*
