“ I train her on her job many years ago. She was a delight to work with and always had a smile on her face . I was blessed to work with her and her brother. Love to all of her family and friends. Grace and mercy.

“ Regina was my absolute favorite cashier at Lund’s! Gentle and kind in her demeanor, she always had a friendly way connecting with all of her customers. She would always ask me, after looking at my shopping items, “What are you making?” Two of my sons used to work at Lund’s and were big Regina fans. Regina would always ask how my sons were doing long after they stopped working there. My Family has been blessed to know dear Regina, and we send our most profound sympathy to her family.
