“ Renard , was a good high school friend of mine . We were part of a social club called the Toreadors . He was kind and had a hearty laugh . He would light up a room with his personality .He served his country honorably .  
Spoke with him 25 years ago and he was happy to be in Minneapolis. Love to his family . Steve Cousins

“ Renard this is your daddy Connell Halliburton. I remember you was everybody favorite and still my favorite because you were the first one. I remember how you got your nick name "Boyboy". Your grandma said that you got into everything. She was always chasing you all over the house. One day you got in the dog food. She got you and said "boy oh boy oh boy" Lord almighty. Lol! That's how you became "BoyBoy".
