“Riccardo, you will be missed so much. You were a great person who was always laughing, I'll never forget your laugh. You will always be forever in my heart. I want to share your story, I wish I could hug you one last time. It's not fair. I know you were destined for greatness. You did so many wonderful things when you were here on this earth. I hope to see you again one day in Heaven and we can laugh and feel each others embrace once again. Rest I. Heaven Riccardo we miss you and love you!
