“ I just got news of "Big Mikes" passing and I was saddened to hear the news. Mike had an amazing soul. I was his neighbor for many years and he was always friendly and easygoing. He had great conversation and excellent advice. He was a sincerely great guy Even after I moved to another area in north Minneapolis my ex kept in contact because they had become good friends. I moved from Minnesota 8 years ago. I want to sent my deepest condolences to his son Robert and his family. Rest in paradise Mike, you were truly a breath of fresh air in this turbulent world. May your memory live on in everyone you touched 🙏🙏
