“ Losing you has been one of the hardest things I ever had to experience. Because of our history(since 16 Years old) and how much you meant to me. I will never get over losing you. I learned so much from you. Every time you called or needed me. I was there no questions asked. I appreciate you helping me be a better mom to my daughter. I appreciate the bond you had with my daughter. You helped me workout and understand a lot of things in my life. I never took the time we spent for granted. Over all I am just glad. i got to experience some of your final months with you. I will miss our talks, your big beautiful smile, your laughs and hugs. Rest Easy Love You Rob 4 ever
