“ *She always had the best advice a young woman like myself needed to hear. A true example of what humbleness should look like. RIP.*

“ *Friend, confidante, role model, matriarch and mother. You were these and so much more to me. You embodied hard work, integrity, selflessness, strength and to never give up or bow to anyone. I learnt from you to never let circumstance define who you are or determine your destiny. You were a tower of strength, full of wisdom and always willing to give of yourself to others. Growing up, our big family was made richer and fuller because you were always willing to share our home with numerous relatives and even total strangers at various times. You were the wind beneath our wings. Your legacy will live on. Rest In Power mama until that great resurrection morning.*

It is never the easiest of things to do when it comes on to comforting those mourning the death of a loved one. Mrs Callmie Dennis whom I am acquainted with for many years and some of her siblings, always spoke highly of their mom and always tried to make sure everything was ok with her I, even when they were 100 of miles away. Ensuring their mom was ok was like a hobby. They did it with such grace and passion. These kind of efforts speak volume. It highlights the quality life she lived and also paints a beautiful picture of how much she means to them. I believe she lived a full life. She knew how much she was loved. Use this, along with many many special treasured moments shared as solace.

I trust you all will find the needed strength to endure this difficult period of bereavement....

On behalf of the Morgan's family, please accept our sincerest condolences.. Blessings always...

“ *My family is very saddened at the passing of our 'Auntie Rose'. She was gifted with the joy of the Lord and always brought laughter to family, no matter what the situation. She was strong and resilient, and had such a passion for life. She left a good example. She is sadly missed by our family.*

“ I am deeply saddened by the passing of Mama Rosa. Mama Rosa was a warm, kind, and generous person. It was a joy to be in her presence. She was easy to talk to and she really showed me that she cared. If she did not see me at church, she would ask me why I did not attend church and I had to give her a reason for my absence.

I can vividly remember her kindness to me and my family. Whenever she baked Jamaican black cake, I would get a whole cake. She also loved my mother. I remember one time when my mother visited and she invited my mother to spend the day with her. My mother reported that she and Mama Rosa had a great time that day. They had many conversations and ate a delicious meal that was cooked by Mama Rosa. Mama Rosa was an excellent cook. Her meals were finger-licking good.

Mama Rosa loved people and she will be greatly missed. I will truly miss her. We have truly lost a great matriarch who loved and cared for everyone.

My condolences to her children, grandchildren, other relatives, church family, and all who mourn the loss of this great woman of God.

RIP Mama Rosa. You will be missed on this side of creation and the love that you showed to humanity will live in our hearts.

“ *Mom there are so much memories of you, every single day and night I think about you and the good times we spent together I cried. My heart is torn apart but I know that you're in a better place from all the pains, and I thank God that I could be by ur bedside to look at you and hoping and praying that you would've have stayed with us a bit longer but God said it's your time to go but I am praying that I will see you again one day. You were the best mom ever. SIP mom.*
