“ I attended Horizons Youth Program at Sabathani with Shae and we grew up in the same neighborhood. He IS a great human being. Even in his youth, he was very compassionate and friendly. I remember his soft spot for his Grandmother, as he often shared how much he loved her.
It was a honor to have met him in this lifetime.
Rest in light, power & love, homie.

“ I first met Shae in 1999. The qualities that I remember most about
Shae were: his humility, he was respectful, polite, kind and
considerate. Shae also had a beautiful smile and gave great hugs!

To everyone who loves Shae I will keep you in my prayers,
