Obituary of Shanna Renae Daniels

Shanna Renae Daniels was born November 28, 1978 to Carmencita Crowelle and Curtis Daniels Sr, in Harrisburg, PA. Shanna's mother moved her and her brother Brandon to North Minneapolis, MN to live. Shanna was outgoing, fearless, and an adventurous child who always loved the holiday seasons. She enjoyed dancing, swimming, biking, music, cooking, and family gatherings. Shanna had plenty of friends, and accepted others unconditionally and stood up for what she believed in. Shanna furthered her education by attending Empire Beauty School, obtaining her Cosmetology License. She was a cosmetologist who loved bringing out the inner beauty in all. She also worked at Prosthetics Golden Valley.

Shanna was dedicated to her family and loved her fur babies Scully and Gucci. She was known for her stunning beauty, great smile, fashion swag and fearless warrior spirit. Her overall personality was fun-loving and super funny. She could make anyone laugh on a good or bad day

Shanna was a breast cancer survivor. Having overcome that ordeal she grew stronger, even more passionate about life and its possibilities for herself and others.

Shanna entered eternal life on Thursday, August 25, 2022, at age 43. We

loved Shanna and our fond memories of her will live forever in our hearts. Although her life was taken so abruptly, we are so grateful God blessed us with her beautiful presence. Shanna is preceded in death by grandparents, Mary and Joseph Daniels, Jeranito Crowelle, and Zilwest Canty, uncle, Christopher Sutton, aunts, Josephine Daniels-LaRue, and Mary Beth Daniels, and cousin, Erick Felton.

To cherish her memories and celebrate her life, Shanna leaves her mother: Carmencita Crowelle (Phil Jenkins) of Minneapolis, MN, her father: Curtis Daniels Sr of Wilmington, DE, her brothers, Brandon Wallace of San Diego, CA, Curtis Daniels Jr, and James Daniels of Wilmington, DE; maternal grandmother, Phyllis Hardy Canty of St Paul, MN, her nieces, Renee Wallace of Seattle, WA, Vera and Sage Wallace of San Diego, CA, her nephew, Bryce Wallace of San Diego, CA. She also leaves behind a host of loving relatives, aunts, uncles, cousins, sister-friends, and a host of other loving friends. Some she inherited and some she made all on her own, but nevertheless no matter how they came they were all family to her.

“ *My beautiful baby, I love you so much and that love will last forever. I will not stop loving and missing until I take my last breath. As a baby, you were always smiling and fun loving. I miss you coming over and telling me and pops that you have made us appointments to either get ourselves in shape. How you would come and make healthy food, which was excellent! I remember the time that we were laughing about Christopher Robin and Pooh bear, This is just some of the things I miss. I felt Blessed that I able to see you one more time, at visitation and service. Your brother is missing you so much! There were people, friends, and family that came to see, show love and respect to you. It was beautiful when Chyna released the doves. I will miss you forever! I don't care what age you were but as I told you, you would always be my baby girl forever! I thank GOD for blessing me with you and I wished I could of changed with happened. I miss you voice, your laughter and your beautiful smile! A piece of my heart is gone but my love for you will last forever and ever! Missing you so much you Mama*

“ My beautiful neice, I'm still in disbelief!!! I saw you 5 days before your life was taken!!! My third day back from Florida, you came to visit at grams ❤️ The smile on your face was so happy!! You were exciting about seeing us back and had bought waist trainers for Liyah and I. You helped Liyah put hers on and I began trying mine on as well. You talked about me having a family barbeque, long overdue, was super excited but told me, Auntie, I know you gotta get situated again first. I remember seeing a beautiful whiteness around you. You had the spirit of God all around you when I saw you standing in moms living room. We said we loved each other, gave hugs and started our laughing as usual!!! I thank God for allowing me to embrace you and see you one last time. I have so many fond, funny, happy and just special memories of you, me and the family. I miss you so much. I will always cherish you, think of you and have you in my heart. I know you are with your cousin Erick, and he welcomed you at the beautiful gates of Heaven. God called you home. I love you forever ❤️

“ You had the best laugh.. I'll always remember it. I hate what happened to you, I don't understand why. I wish it never happened. Like go back in time and change what happened, but time can't go back. I'll always love you. Thank you for dying my hair, getting it so straight for me in middle school. I remember waiting up for you when you came out from out of town. I waited up all night waiting for you and Skully to come. I love you & Skully. You were a amazing person. You'll always be apart of the family regardless. Death can never stop that. Love you Shanna
