ME

“ I was a patient in the TCU at Presbyterian Homes in Sept to Dec 2019 and then again in March 2020. Sperky was my night nurses assistant during those times. She was my ray of sunshine every night she worked. Sperky got me through some really dark times with her quick wit and beautiful voice. We spent many nights singing songs, talking about her family and totally cracking each other up with stupid stories. I can't believe we didn't wake up all the other residents with our craziness at 3:00am. I hope she knows how much I loved her. She would come and pray over me many nights and made me believe in God again. Sperky was a true Christian and servant of the Lord and I know she's in Heaven and watching over me. My heart and prayers go out to Sperky's family. Sperky May you Rest In Peace!
