“ *Stanford was one of the kindness most thoughtful people I've had the pleasure of meeting. I met Stanford in 4th grade at Jenny Lind elementary and never ever forgot about him. Even back then he was funny as ever. He loved making us all laugh. Will miss you and remember you always. Fly free my lifelong friend. God Bless*

“ *We Remember Stanford (Bubba) from the 80's. I met him through my husband Jim Mins. They played in the band called Crosstown connection. A LOT of good times for a bunch of young 20 year olds. Stanford was such a goodly sweet, kind and extremely talented musician. He had a great sense of humor that kept us all laughing. I for one loved Stanford spiritual side. I loved it even more after he met Benita. She was so sweet and shy. I felt like we all had a lot in common. I remember that time of my life as one of the happiest times. We had no worries. The only worry we had was what we were going to do next to have fun, and we had a blast. Just the crosstown connection and the people who loved the members in the band. Rest in peace Stanford, you will be greatly missed by many. Our deepest condolences to Bonita and Shawntell and their families. All of our love, Jim and Kira Mins.*

*Grew up with the Robinson family in the Church of God in Christ. I would love to hear him lead the song "Feed Me Til I Want No More". Just a Beautiful family. Wife Bonita is such a sweet lady. My thoughts and prayers are with Sis Bonita and Shawntell, Sandy, Eddie, and Val. May God comfort and keep you.*

“ *I had the great pleasure and honor to play in a band with Sanford (we all called him Bubba back then)back in the 1980s. He was always the funniest and by far the most talented musician in the room. I will never play with a better drummer. I will remember you as a great and fine man*

“ *Thank you Stan for all your love and prayers for all of us. I do blessed that I was able to sit with you and some of our family members singing and praising God for your life. You left us here on earth as God called you home for your complete healing in heaven to watch over over those still on earth. Thank, thank you for being the blessing to us and all your love.*

*I love you my cousin and know that Benita is well loved.*
