“ I worked with and for Terrell in his time at the MCDA. He was such a warm, supportive, talented leader and a delight to know. I am saddened to hear of his loss -- he deserved a longer, joyful retirement after his many years fo contributing to the betterment of the community. My deep condolences to his family and friends.

“ I first met Terrell I the 1980s when when we were trying to get Rick's Cafe re-opened. Later in the '90s he began working as a Director at the MCDA and was my immediate supervisor. He was personable and a great guy to work for, and I'm glad I had the opportunity to continue to know him on a social basis. He will be missed.

“ I first met Terrell in 1984 working with him at the State of Minnesota. Then he was my boss at MCDA. What a kind and smart guy. Will never forget our fishing outing on Gull Lake and walleye dinners.

“ Dear Family,
I was shocked and saddened to hear of Terrell's passing. I met him when I worked for Council President Jackie Cherryhomes and we became friends. You could always count on Terrell. He had a big heart and I'm so happy our paths crossed when they did. I hope all your memories will see you through this time of loss and grief.
Peace be with you Terrell.
