“ I was thinking of Terrie today and really missing her around the time of her passing. We lost contact some years past but when we used to talk, it was frequently. Terrie was a woman of faith. She was a kind and gentle woman. Had a great laugh and knew how to hold a conversation about many topics including the Bible. My condolences go out to her son and the rest of her family. Rest easy Terrie. Sophia

“ To the Pennie Family- May the Lord bless and comfort you during this time of grief. Your family has always shown me love and kindness throughout the years no matter who it was that I had the pleasure to meet. Terrie had such a sweet spirit and was a beautiful soul. Please accept my deepest condolences. Just know that my thoughts are with you and that I am praying for your strength and peace during this difficult time. Much love, Tina Johnson

“ Aunt Terrie, we pay tribute to you each and every day. Your love, compassion, kindness, and understanding does not go unrecognized. In times of hardship and struggle we find our humanity. However, in times of contentment, we don't realize how precious our time is on this earth. We only get one life and I am pleased to say that you had a profound impact on me in my formidable years. I remember one time you came to visit my dad, mom, sister and I in Germany in 1990. That was a special time in my life and I will never forget you or my memories of us during your visit. Rest in power, Aunt Terrie.

Love,

Your nephew, Alexis Pennie

“ Terry, I loved you the moment we met. You had an "aura" of power and that's when I realized you were an Angel of God! You were so cool, calm, and collected and without saying a word, demanded respect from everyone. You taught me so much about life, love, and the Lord. You introduced me to your wonderful family and oh what beautiful times we have shared! Our time together will always be "forever" special. As the saying goes, "you have left foot prints on my heart and I will never ever be the same". You're in my heart and soul forevermore. I love you always, Carrie Hase

*As a family friend of many years, I am sharing in your sadness as you morn and remember Terrie. Her kindness, warmth and inner strength and Faith lead her life. She was blessed to have family as she prepared to go home to our Lord God. HE blessed her with one of his angels Tracey to be by her side.... Terrie's memories will be treasured and will not go away, for those we love stay with us forever.*

*My thoughts and prayers are with you.*
