“ I'm just receiving this information so please forgive me for my late post. Tywanna was a beautiful and vibrant light. We used to work together at Hennepin County and were fellow union co-Chief stewards. I loved working with her and she touched so many lives inside and outside of work. Her family meant the world to her as well as honesty, trust, and accountability. I'm so saddened to hear but I love you and you will NEVER be forgotten. Thank you God for blessing us with Tywanna.
