“ *Dear Bro, (Huggy)*

You we're at the best, little, big brother ever. Sometimes, I just still can't believe you're gone! I was thunderstruck at how soon you left us, however, it was in God's plan, but still hard to accept. You were an amazing man and brother and I truly miss you. Not a day goes by that I don't think about you. I sit and think about that laugh of yours and the conversations we had and I just start laughing so hard. You left us with some good memories. Today is your birthday! January the 19th and we celebrate you 🍷🍷🍷. You will never, ever ever be forgotten. You live on with us everyday and I love you so much and when God allows, one day we will all meet again and continue the laughter.

Your Big Sis, RitaK

“ My condolences and prayers for the family. I'm just finding out about my high school friend who passed. Alex was an outstanding friend! He always had that huge smile on his face. I remember seeing Alex at the mall. We talked while I looked for exercise pants. While there, he spotted Betty Boop (he knew I loved and collected her things) pants and purchased them for me; then surprised me with them. That's just who he was.

“ Al was always walking with a smile that made folks happy. He and I spoke a lot about his BBQ skills...he was fun, respectful and an overall joy to be around. To learn of his passing hurt, we will miss that uplifting smile. May God continue to cover his family and guide them.

“ *TIME GOES BY FAST! The family BOND we had as children and now as adults WAS and STILL is in my heart ❤️. It seems like just yesterday we were children playing in yall's backyard, eating Aunt Joyce's DELICIOUS home cooked meals 😊. I can still hear Uncle Cecil saying "that booger" LOL 😊*

I don't know if you can hear me or not but I Miss You and I Love You! I enjoyed and appreciate our chats about your wife & kids, and life . I'm glad I got to hear about the Love you 2 💕 have for each other and how you met❤️.

I hear this song in my head right now that represents us, the GREEN family ❤️ sung by Sister Sledge "WE ARE FAMILY" always and forever!

“ *We offer our deepest condolences on the passing of a Great Man with a beautiful soul. We share in your loss and will forever be grateful for all the weekends he sacrificed his time to create precious, unforgettable memories coming to Oklahoma to spend with his "Aunt Levada" and "Granny Alice".*

Though another link in our family chain is lost, we celebrate in knowing that as our Father calls us one by one, the family chain will link again.

Until then, Rest in Paradise!

“ I have so many memories of Alex that are so good. To many to list. Alex and I would play “Gin rummy” and listen to music until one of us was to tired or the both of us said it was enough. Alex would tell Mrs. Green “Ronnie would sure like a sliced of pie 🤔 when he asked earlier and was told no talking about your Best Friend setting you up. Mom caught on to our game 😊. We loved those pies. I missed you more than words can say my “Brother” love you!
