“ Wanda was a sweet lady. I only had the privilege of knowing her towards the end of her life at Brookview Villa. . I learned what a wonderful family she had, especially her devoted son Michael. She looked forward to his daily visits. Together they watched music performances, played bingo, and sat outside in the nice summer days. She also loved having pretzels and having her nails done. I miss her laugh and shaking her head at my silly outfits. I will miss her and all the family has my deepest sympathy. Beth Sharpe , activity director, Brookview Villa.
