“ *Family of Wendy,*

*I was deeply saddened to hear of Wendy's homegoing. Wendy and I checked on each other the last of April. I have known Wendy a long time as she was my baby sister (Kathy Davidson) who is with the Lord now best friend. I pray you find strength knowing what a wonderful person she was and God has her now in His powerful hands. She is no longer in pain and Heaven has received another Angel to watch over you. You are in my thoughts and prayers. I pray the Heavenly Father brings you comfort in your sorrow. I pray God wrap His loving arms around you and grant you the strength to endure. I pray His love and presence brings peace to your hearts and trust in His unwavering care.*

“*Aunty Wendy was the true definition of grace, sophistication, and faith. She was one of the first black women business owners that I had the pleasure to witness as a young black girl. There were times I would stay the night at her house and she did not play about going to church or bible study. She will be missed. I pray the Lord comforts and covers her family during this trying and difficult time.*
