“ Momma you were the best Mom anyone could have ever asked for. All my life I’ve known you as a woman of God. You were friendly to everyone you met. You opened your home to a lot of people and fed them too. You loved all seven of your children and I told everyone that would listen that I was your favorite and you would smile and not say a word to whether it was true or not. You always told people “Stay Encouraged”. You stayed as long as you could because you didn’t want your children to cry. I miss you so much and I think about you a lot. It’s almost 5 years your soul left your body. I know you were immediately in the presence of the Lord and He said well done my good and faithful servant. I love you Mom and miss you so much. “ Your beautiful spirit will be missed on this Earth. We know you are in a better place and so never goodbye but see you later. May God strengthen The Thompson Family and the Williams Family.
